

Dear \_\_\_\_\_,

On behalf of Camp Moshava of Wild Rose, WI L'Olam Legacy Society, I would like to thank you for your generous commitment to this exciting venture. Your participation makes it possible for Camp Moshava to be a part of the lives of future generations of campers.

This Society was created to forge a partnership between the Camp and those who believe that the experience of one summer can last a lifetime. This is only possible because of thoughtful contributions from people like you.

Thank you again for your generosity and vision.

Sincerely,

Rivkie Lafer
