

# LEGACY SOCIETY

While the sage, Honi, was walking along a road, he saw a man planting a carob tree.

Honi asked him, "How long will it take for this tree to bear fruit?"

"Seventy years," replied the man.

Honi then asked, "Are you so healthy a man that you expect to live that length of time and eat its fruit?"

The man answered, "I found a fruitful world because my ancestors planted it for me.

"Likewise I am planting for my children."

Babylonian Talmud, Taanit 23a
