Dear First Names,

WELCOME as a member of the Camp Newman Legacy Society. On behalf of future generations of the Camp Saratoga, Camp Swig, and Camp Newman community, we want to extend our heartfelt appreciation for naming Camp's Endowment Fund in your estate plan.

Your legacy will be children and young adults finding their Jewish Identity and experiencing joy in their Judaism through, singing, dancing, and experiential learning. You are ensuring that camp will remain a vibrant, relevant, and exceptional program for Living Judaism which constantly strives to be the very best world that we can create. Your gift encourages Jewish friendships, and engagement in the Jewish community each person has at home. These gifts are without measure and your generosity will provide for them all.

Once again, thank you for joining the founding members of camp's Legacy Society for Living Judaism; our gates are always open to you!

Thank You for your generosity,
